## Be Involved...Join the RCHS Band Boosters

The Royse City High School Band Boosters is a parent organization working alongside the band directors to support and enhance the band program at Royse City High School. The Band Boosters support all aspects of the Royse City Band Program including the Marching, Concert, and Jazz Bands, Percussion and the Color Guard. The financial support of the Royse City Band Boosters is vital to the success these programs.

**The cost of membership in the Royse City Band Boosters is \$20 per family.** All funds raised through the membership drive and other fundraising activities go directly to the band program.

Benefits of joining the booster organization include general election voting privileges, first contact regarding volunteer opportunities, and advance notice of upcoming events and happenings within the band program.

Your Booster membership fee will help pay for the following and more:

- Summer Band Snacks (served daily)
- College scholarships awarded to two seniors each year
- Subsidizing clinician fees to extend our students learning experience
- Drum major camp
- Various other items throughout the year as the need arises

If you have already paid the membership dues on your student's 2018 Registration form, there is no need to complete this form. We thank you for your support!
