

**Royse City High School Band
Tentative Freshmen Fee Guide
2018**

Parents and students,

Please find the fee schedule for this marching season below. We have made our best effort to use quality items that will not break the bank and can be reused. All of the below items must be purchased through the band so that they match what our older students already have.

Here are some things to note:

- **Payment:** The band boosters will accept Cash, Check or Credit Card. If submitting a check, you must include your driver's license and date of birth.
- **Show Shirt:** This will be based on our marching show and parents will be able to order as well. We will wear these to travel in and on pep rally days.
- **Summer Uniform:** This year we will again wear a summer uniform look for the hotter games (shirt, shorts). This is not something that we will change from year to year, as we will keep the same style moving forward.
- **Show Specific Top and Shako Cover:** Our uniform top will coordinate with our show this year. This top and hat cover will be the property of the performer once the season is over. Front ensemble students will not purchase the shako cover and guard students will not have this fee at all.
- **Uniform Cleaning Fee:** Allows for the pickup/ cleaning and delivery of our uniforms before the season starts and during the season around contest time.
- **Black Gloves:** All brass and woodwinds need to purchase these. Percussion students and guard members do not.
- **Matching Blue Water Cooler:** We will take these to rehearsals and games with us so that we are adequately hydrated. Since they will be visible, we would like for them to match.
- **Black Marching Shoes:** Students can wear these through all 4 years of high school, provided their feet do not grow and they take care of them.
- **Black Duffel Bag:** We will use these to carry hats and plumes as well as personal items to the games and contests we have. The cost includes a monogram of the student's last name from the Bullpen.
- **Instrument Rental Fee:** This only applies if your student plays a **school owned instrument**. We use this to assist with repair costs and keep our inventory clean and in good shape year to year.
- **Percussion Stick/Mallet/Instrument Use Fee:** This fee is designed to provide for matching sticks and mallets as well as instrument equipment maintenance
- **Tuxedo/Dress Fee:** This is for Concert Season. We will not order these items until late October. We use these in competition and performance. We will not ask for payment of these items until November.

Paid Through Band Boosters-Make Checks Payable to Band Boosters
